2017 CONFERENCE AGENDA

Register now for our 2017 Annual Industry Conference:

Insuring Uninsured Risk: Flood, Sea Level Rise and Natural Catastrophes

Wednesday, May 24th, 2017

The Vinoy St. Petersburg Resort & Golf Club

Co-presented by the ***FAIR Foundation*** and the ***Institute for Strategic Policy Solutions at St. Petersburg College***, our 2017 Annual Industry Conference, Insuring Uninsured Risk:

Flood, Sea Level Rise & Natural Catastrophes, brings together industry and policy experts for a fast-paced and comprehensive discussion of risks, opportunities and solutions as well as the potential impact of each. Following the tremendous success of last year's inaugural conference, we are dedicating this year's symposium to protecting Floridians from uninsured risk and keeping our state's economy resilient in the wake of potential catastrophic storms.

This year we have another great line up of panelists from state and national insurance companies, small and large Florida businesses, independent Florida consumers and several state legislators! We are expecting an even bigger crowd than last year, so **REGISTER ASAP** and save your seat(s) for this informative event!

Conference registration fee is $195.00 per person.

This conference is conducted as a component of the primary educational mission of The FAIR Foundation, a 501(c)3 non-profit organization, tax ID #47-4123164. Registration fees support our ongoing efforts to provide proactive education, promote solutions for insuring uninsured risk and to advocate for resiliency through mitigation.
